

English We will be linking English to our topic where possible and learning to write in a range of different styles including persuasive speeches, narratives, poetry and non-chronological reports. In Spelling lessons, we will revise statutory Year 5 and Year 6 spellings as well as focus on homophones and near homophones and applying a range of suffixes such as ment, less, ful and ly.	Maths We will continue developing our place value knowledge up to tens of million and to 3 decimal places as well as effective mental calculation strategies and formal written methods. They will deepen their understanding of fractions including adding and subtracting fractions with different denominators. They will also find the area of parallelograms and triangles.	Science Our topics for the first half term is Electricity and Light. In Electricity we will look at symbols and circuit diagrams and investigate variations in how components function. In Light we will investigate how light travels and how we see things.
Computing In Communication and Collaboration – exploring how data is transferred by working collaboratively online. Web page creation – designing and creating webpages, giving consideration to copyright, aesthetics and navigation.	Year 6 Autumn Term 2026	Humanities & Spanish In History, we will be learning about World War One we will look at different sources (primary and secondary) to find information about the past and determine what life was like. In Spanish, we will develop our Spanish phonics, while learning how to introduce ourselves to others and speak in short sentences about ourselves and our pets.
Art & DT Work will be linked to our topic, such as Electric Systems: Doodlers that links with our Electricity unit, develop a design criteria with consideration for a target user as well as justifying certain configurations through our investigation. In Craft and Design: Photo Opportunity, understand what a photomontage is and use a viewfinder to set up an effective composition.		Home Learning • Reading daily – at least 10 minutes • My Maths and Spelling Frame activities given out on Thursday and expected to be completed on Tuesday • Year 6 Activity Grid – optional and available on our website • TTRockstars
PSHCE We will be introducing the Zones of Regulation. This will focus on helping the children to understand their emotions and the triggers for these. We will also be looking at Being Me in My World where we will discuss the rights of children as well as democracy and global citizenship. In Celebrating Differences, we will be have conversations around inclusion and exclusion as well as how to resolve conflict.	PE In netball, football and basketball, we will be practicing our different passes, learning about footwork and which positions can go to which places in the court or field. This will help us develop our teamwork. We will also be challenging pupils' creativity in gymnastics, creating sequences of moves they have learned throughout KS2.	Additional Information Meet the teacher – Monday 14th September at 14:30 Manor Adventure Meeting – Monday 14th September from 15:15 to 16:00 Manor Adventure – Monday 12th October – Friday 17th October 2026 Christingle – Friday 11th December 2026
Music The children will be focussing on pitch by plotting pitches on the stave as well as performing improvisations of simple and complex melodies.	RE The children will be discussing and sharing ideas about the big questions: what can be done to reduce racism? Can religion help? Is Christmas just for Christians?
